Isagenix Evaluation Request Form Directions

We have a very important policy that prohibits the sale of unauthorized items using the Isagenix trademark, logo, tradename, written, printed, recorded or other types of intellectual property. This important policy upholds the integrity of Isagenix and preserves the opportunity for all our Members. As such, this policy must be strictly enforced.

If you have materials you would like to have approved by the company, there is an evaluation process it must go through.

1.) Create an example of your item. This can be a draft of your design/language.

2.) Fill out an Evaluation Request Form. This form is available in your back office in the library section.

3.) Submit both items to the Home Office. A fax number, email and address are on the form.

4.) Each request will be reviewed by the Compliance Committee. Please note the authorization process for an Evaluation Request may take up to 2–4 weeks.

5.) If the company authorizes the use of the item, you will receive written confirmation that you have our approval. If your design is not approved, you will be notified of the reasons for the decline.

We value your ideas and creativity in running your business. By taking the extra steps of having your designs approved, in writing, by Isagenix we avoid misunderstandings. We look forward to receiving your Evaluation Requests.
