The 1-2 Punch for Improved Digestive Health!

Introducing Isagenix FiberPro™ and Isagenix Multi-Enzyme Complex™

ISAGENIX®

Enhance your Isagenix® system with two new digestive solutions!

Want to get even more from your cleansing lifestyle? Want to increase your energy, lose weight and improve your mood?

Our two new digestive formulas are your complete digestive solution! The natural ingredients in Isagenix FiberPro™ and Isagenix Multi-Enzyme Complex™ strengthen digestive health and improve internal cleansing.

Isagenix FiberPro delivers probiotics for digestive health and five types of fiber to add an additional 5 grams to your diet per serving.

Multi-Enzyme Complex uses a proprietary blend of enzymes and herbs to help break down foods and improve nutrient absorption.

Both Isagenix FiberPro and Multi-Enzyme Complex can be easily incorporated into your daily Isagenix routine to give your body the 1-2 punch for complete digestive health!

Less than 10% of Americans get the recommended fiber in their diet daily.* More than 87% of people report having digestive issues.**

Now you can enjoy complete digestive health, while receiving additional nutritional cleansing support.

NEW!
MULTI-ENZYME COMPLEX™
and
ISAGENIX FIBERPRO™

*National Fiber Council
** Based on a 2007 nation insight survey commissioned by Dannon®

Give your body the fiber it needs every day!

Isagenix FiberPro™ is flavorless, colorless and easy to mix, giving you a simple way to add fiber to your diet.

FiberPro contains our proprietary multi-fiber complex with five types of plant fiber as well as our proprietary Isagenix Active-6 probiotic complex. The addition of Ionic Alfalfa™ boosts FiberPro's nutritional content and cleansing capacity, which supports natural digestion and elimination.*

* These statements have not been evaluated by the Food and Drug Administration. Isagenix® products are not intended to diagnose, treat, cure or prevent any disease.

FiberPro™ delivers outstanding benefits for your digestive system:

- Improves regularity*
- Cleanses the digestive tract with insoluble fiber
- Improves cardiovascular health with soluble fiber*
- Includes probiotics to help restore the balance of good bacteria
- Increases the benefits of nutritional cleansing

"This is the most complete—and advanced—multi-fiber formula ever developed."

–Dr. Bill Wheeler,
Isagenix Chief Science Officer

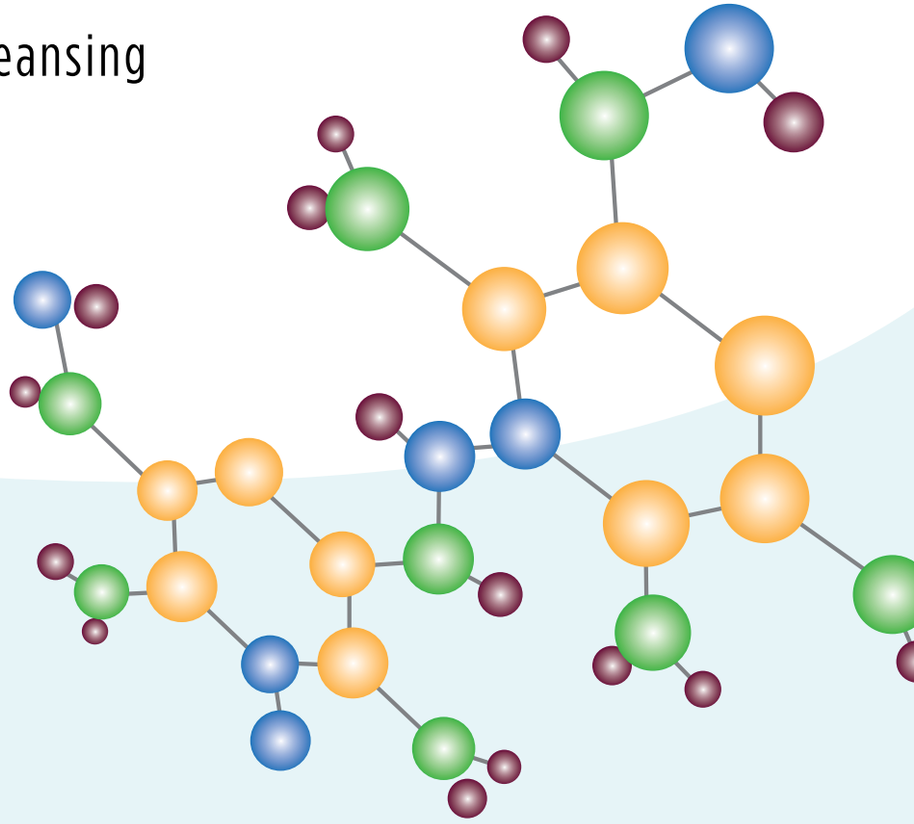
Get More Nutrition From Your Food!

Multi-Enzyme Complex™ is a revolutionary enzyme formula utilizing a full spectrum of enzymes to help your body break down and absorb even hard-to-digest foods such as plant fibers and sugars, milk sugars, proteins and fats. The proprietary formula also includes Ionic Alfalfa™, which helps to support natural digestion and elimination.*

The latest and greatest evolution of Isagenix® proprietary trace mineral blend is Ionic Alfalfa™. The unique ionic process accelerates the delivery of 70 organic ionic trace minerals to greatly enhance the already superior health benefits.

New Multi-Enzyme Complex™ improves your digestive health:

- Increases the absorption of nutrients for improved health, energy and development of lean muscle mass*
- Improves digestion, and reduces common digestive challenges such as gas, bloating and indigestion*
- Increases the benefits of nutritional cleansing
- Restores healthy enzyme balance*



"There is no other enzyme product as comprehensive AND effective as our new Multi-Enzyme Complex."

–Dr. Bill Wheeler,
Isagenix Chief Science Officer

Powerful additions to your wellness routine.

Isagenix FiberPro™

- Add a scoop of FiberPro to your IsaLean™ Shake (delivers 12 total grams of fiber).
- Add a scoop of FiberPro to your IsaLean Soup (delivers 9–10 total grams of fiber).
- Add a scoop of FiberPro to your daily, non-shake meal—you can even cook or bake with it!
- Add a scoop of FiberPro to juice or water.
- Great for kids to help improve their fiber intake!

Isagenix Multi-Enzyme Complex™

- Take one Multi-Enzyme Complex with your non-shake meal(s) to enhance nutrient absorption.
- Taking a Multi-Enzyme Complex with your IsaLean Shake or Soup to further enhance the enzyme benefits and nutrient absorption.
