## PRACTICE SHARING THE ISAGENIX INCOME OPPORTUNITY WITH THE 'YOU SHARE, THEY SHARE, REPEAT' SAMPLE SCRIPT

“Isagenix has created a method to help you earn money by sharing products. This concept is simple. It's called 'You Share, They Share, Repeat'. This concept is all about sharing Isagenix products with people who then share them with others. Let us explain - it starts with you.

Once you begin using Isagenix products, working hard towards your goals and seeing results, the chances are that people you know will want to achieve results like yours. These people may be looking to lose some weight, lead a healthier lifestyle, improve their workout performance or even make extra money. We want you to share Isagenix with as many people as possible, but for this example, let's start with two people.

If you were to help two friends or family members join Isagenix with a qualifying pack\*, Isagenix would pay you a Product Introduction Bonus between £8 and £66\*\*.

As Premium Packs have enough of our most popular products to last someone an entire month (plus some extras to share with family and friends), let's say someone gets started with Isagenix and orders a Premium Pack from you. You would receive a £66 bonus as a result of their purchase. If you then introduce another person to Isagenix and they also order a Premium Pack, you would receive another £66 bonus!

Here's where it gets exciting! If both of them get started and place their initial orders on Autoship in the same commission week - Monday through Sunday - Isagenix would DOUBLE your bonus! Instead of receiving a £66 bonus for each friend starting with a Premium Pack, it's doubled to £132 each for a total of £264. So far you would have earned £264 for helping these two people join Isagenix. This is called 'You Share'. By doing this, you would have also advanced to the first leadership level - Consultant - which would entitle you to an additional £40<sup>†</sup> adding up to a total of £304! As more people join your team, it's possible that you'll have at least a few people who would also share Isagenix - and you can earn further bonuses on product sales to them!

To keep it simple, let's say your two friends from our example wanted to share Isagenix products with others. You would help them do exactly what you did! If your two personally sponsored friends find new Customers who also purchase a Premium Pack after opening their accounts, you would be paid an additional £162 (£81 each). We call it 'They Share' when your personally sponsored Associates share and become Consultants themselves.

Up to this point, you would have earned £304 for 'You Share', plus £162 for 'They Share', resulting in a total of up to £466!

If you were to fulfill 'You Share, They Share' within the first 60 days of becoming an Associate, you would advance to the second leadership level - Crystal Manager - and the company would reward you with £204 on top of what you've already earned!

Let's add this up. You started Isagenix with a Premium Pack. You shared your experience with two friends who joined Isagenix by purchasing Premium packs on Autoship in the same commission week and you would have earned £304. You helped your two friends share Isagenix products with two friends of their own who all opened accounts and purchased Premium Packs, and you would have earned an additional £162. If you completed 'You Share, They Share' within 60 days of becoming an Associate, you would receive another £204 bonus. That's a grand total of up to £670.

And now, the final step: 'Repeat'.

Repeating these steps can help you accomplish your financial goals. 'You Share, They Share, Repeat' is just the beginning. The earning potential with Isagenix is amazing!

\*Although selling packs to new Customers and earning the Product Introduction Bonus may be an early financial benefit, it is also important to find the right solutions and products for each Customer. If the Customer's needs are not met by any of the packs we offer, simply focus on what is right for that Customer.

\*\*Product Introductory Bonuses are paid in local currency and are subject to change.

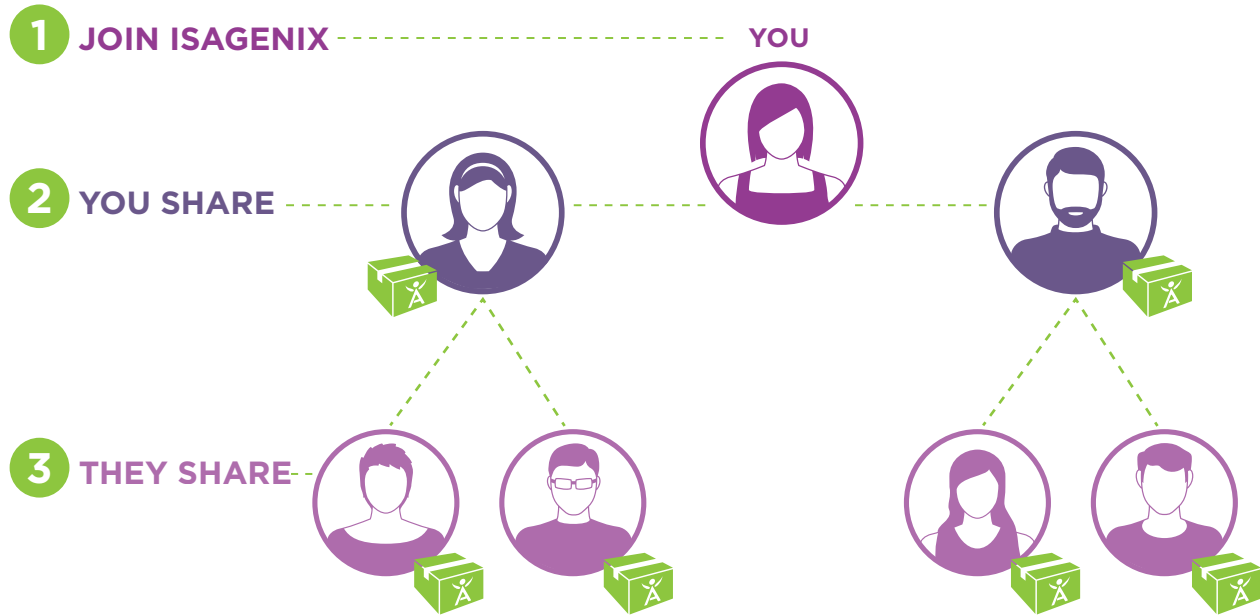

<sup>†</sup>Isagenix Associates who reached the rank of Consultant before 19 June 2017 are not eligible for this bonus. Consultant Bonuses are only available to Associates who have not achieved the rank of Consultant prior to 19 June 2017.
