Frequently Asked Questions

DIRECTORS & ABOVE POOL

What are the criteria for participating in the pool?

- All Associates, regardless of join date, can participate.
- The pool is open only to Associates in the UK, Ireland or the Netherlands.
- Must be paid-as Director or above each day of the commission week for a minimum of one week.
- Must increase your paid Team Bonus Cycles by at least two over the previous month's benchmark.
- Must enrol one new Member each month with a qualifying order.
- Must have a minimum of one personally enrolled Member rank advance.

How is cycle growth calculated?

- Your Net Cycle Benchmark is created by averaging your 4 previous weeks' paid cycles.
- Each week, we will take the difference of your paid Team Bonus Cycles and your Net Cycle Benchmark to determine your Weekly Net Cycle Growth.
- Your benchmark average will round down. For example; if you get a benchmark of 3.89, we will set your benchmark to 3.
- We add your Weekly Net Cycle Growth for each week in the month to determine your monthly Net Cycle Growth.

How are the number of shares determined?

Each month, we will calculate the number of shares in the pool you receive based on this formula:

Cycle growth (minimum of 2 to qualify) X Personally Enrolled Rank Advancements (minimum of 1 to qualify, maximum of 5) X Weeks active as paid-as Director or above (minimum of 1 to qualify) X Personal enrolments (minimum of 1 per month, maximum of 5 per month) = Total Shares

How will the pool be paid out?

We will divide the number of total shares earned by all Associates during the month by US\$20,000 to calculate the value of one share. We will then multiply that value by the number of shares you earned to calculate how much you earn. This will be calculated in USD and paid out in EUR based on the current exchange rate.

Is there a maximum payout?

Yes, the maximum payout is US\$3,000.

How long can I participate?

Paid-as Director who qualify for the Leadership Pool can participate in the Director's portion of the pool for a maximum of three consecutive months. The first month a Paid-as Director participates in the Director's portion of the pool will count as month one. After three consecutive months are complete, the Director will no longer be eligible to participate in the Director's portion of the pool. After that, he/she may advance his/her rank to Executive and maintain Paid-as-Executive each day during the commission week, to enjoy the Executive portion of the pool as long as he/she meet the requirements. If at any point he/she gets to active rank Executive, he/she will only be able to participate as an Executive from that point forward, starting the following month. He/she can no longer participate as an active rank Director, even if he/she didn't finish their three months as Director.
