Open to all Associates, regardless of rank. This promotion is available in Australia and New Zealand only and ends 23 August 2020. New Customers must order a qualifying pack at the time of joining in the same commission week.

Once the second new Customer in a week purchases a qualifying pack, all new qualifying Customers enrolled thereafter in that same commission week will attract Double PIBs. If a new Customer purchases more than one qualifying pack in the initial order, the double PIB will only apply to the highest value pack.

Promotion rules are subject to change by Isagenix at any time without prior notice. Isagenix reserves the right to adjust or deny recognition or other awards to prevent or correct any attempts to circumvent the rules or to manipulate the promotion and to ensure the spirit of the promotion is achieved.

<sup>†</sup> A commission week begins at 12:00 am Monday USET (New York Time) and runs through the following Sunday until 11:59 pm USET.

Double PIB amounts will be paid in USD and converted to local currency using the Foreign Exchange Multiplier to ensure the correct PIB amount is received.
