QUALIFYING QUESTIONS

Within the enrollment process, you will ask if the new Member would like to learn how to get paid for sharing Isagenix products with others. Let your new Member know that in order to be set up for success, you're going to ask some additional questions, which are listed below. As you ask these questions, dig deeper into each question to learn more about the new Member and the Member's goals and reasons for wanting a life change.

1. What do you do for a living now? Do you enjoy your work?
2. What would your ideal life look like if you could design it?
3. How much money do you think you'll need to achieve that ideal life?
4. How much time do you have per week to achieve those goals?
5. On a scale of 1 to 10, how committed are you to achieving your goals?
6. I want to help you achieve your goals; taking focused action quickly is the best way to start. So, will you write down the names of the top 10 people who you think might be interested in doing this with you and get your list to me by tomorrow? Think of people who have a burning desire to live the life of their dreams or people who are dissatisfied with their health or financial wellness situation.

Work with your new Member to create a list of the top 10 people that the Member thinks may be interested in doing this with him/her.

LET'S DO THIS TOGETHER
