

AMPED™ Hydrate

What is AMPED™ Hydrate?

AMPED™ Hydrate is a refreshing sports drink enriched with vitamins C and B-complex. It supports hydration and replenishes nutrients and electrolytes that can be lost during exercise.

Why do you need AMPED™ Hydrate?

- Satisfy your thirst.
- Daily wellness & hydration without artificial colors, flavors, or sweeteners.
- Energizing nutrients such as B vitamins and electrolytes to help support hydration status
- Replenishing fluids lost through sweating and supplies a boost of carbohydrates.

Enriched with Essential Vitamins for our Daily Wellness & Hydration!

- **Vitamin B-Complex** Helps convert food into fuel for more energy throughout the day. Delivering eight B vitamins which play an essential role in certain bodily functions.
- **Sodium** Mineral that's essential in controlling your body's fluid balance and maintaining body electrolytes
- **Stevia Leaves** Natural sweetener

Flavor Options

Lemon Lime

Juicy Orange
