

# e+ BOTANICAL BEVERAGE MIX CONCENTRATE

*Natural Energy for Everyone*

Our **NEW** liquid concentrate line provides the same great product benefits in one convenient-size bottle.

## WHY YOU NEED e+:

### RESTORE ENERGY

Just three squeezes provide a long-lasting energy shot to help restore your energy.

### NATURE'S BOOST

The right amount of plant-based caffeine from green tea and yerba mate boosts energy.

### ONLY NATURAL INGREDIENTS

Unlike most energy drinks, e+ contains no artificial colors, flavors, or sweeteners.

### CONVENIENCE ON-THE-GO

Convenient and easy-to-use concentrate packaging.

## WHAT IS e+?

A long-lasting and great tasting energy beverage, made with naturally sourced plant-based caffeine and Adaptogens.

## HOW IT WORKS:

e+ is scientifically formulated to reduce the effects of fatigue with a potent variety of botanicals such as green tea and yerba maté along with plant-based caffeine.

## WHAT ARE ADAPTOGENS?

Adaptogens are natural botanicals that have unique characteristics that help your body combat the effects of a busy and demanding lifestyle\*, focus your mind, and elevate your daily performance.

At Isagenix, we select only the highest-quality ingredients for our products. In addition, we conduct rigorous testing and quality verification on all of our raw materials through to our finished products. We stand by our no-compromise policy.

## WHEN AND HOW SHOULD I TAKE e+?

Enjoy 1-2 servings of e+ daily. Gently squeeze three (3) times (3.7 mL) into 60-120 mL of water for one serving. Adjust water to taste.

• **MORNING:** Drink e+ for a quick energy boost to start your day or before exercise.

• **AFTERNOON:** Take e+ for a quick energy boost to get you through a demanding day or before exercise.

## WHAT IS A CONCENTRATE?

A concentrate is food or liquid that has been reduced in volume by the removal of water or other diluting agent making it more potent. Our new liquid concentrates definitely pack a punch, so it's important that the daily consumption amount is still followed.

## NEED TO MAKE A HEALTHY DRINK FAST?

Instantly make one serving of e+ by adding three (3) squeezes of liquid concentrate to 60-120 mL of water. Adjust water to taste. .
