RULES

1. Only members in the U.S., Puerto Rico, Canada, Australia, and New Zealand are eligible to participate in the Platinum Pool.
2. Two Platinum Pools have been established: 4PET Platinum Pool and a Personal Platinum Pool.
3. The established pool amount per month is US\$125,000 for each pool, totaling US\$250,000 each month.
4. Members must have exhausted eligibility in his/her Primary Position for the Executive Pools. This is done in one of two ways:
 - 180 days after the Platinum Member averages 225 cycles over a 26-week period for the first time in his/her Primary Position three times OR
 - 180 days after the re-entry has been open for six months
5. Members must be a Paid-As Executive, 7-Star Golden Circle or higher for a minimum of two weeks during the pool month to qualify for the Platinum Pools. The two weeks needed to qualify can be any two weeks during the month.
6. Your primary business center must remain at 175 Cycles or above for a minimum of two weeks in the pool month for your re-entry accounts to be eligible to participate in the Director and all Executive Pools.
7. Personal and 4PET Net Cycle Benchmarks are a 26-week average (paid weeks) of the paid Team Bonus Cycles for each.
8. Weekly Net Cycle Benchmark is the total number of weekly paid Cycles minus the Net Cycle Benchmark (for both your 4PET and Personal).
9. Monthly Net Cycle Growth is the sum of your 4PET Weekly Net Cycle Growth for the pool month. Personal Monthly Net Cycle Growth is the sum of your Personal Weekly Net Cycle Growth for the pool month. Each Weekly Net Cycle change for the month (both positive and negative) will be used for calculation regardless of Member's weekly Paid-As rank.
10. Qualified Net Cycle Growth (or shares) is determined by taking Monthly Net Cycle Growth, dividing it by the number of weeks in the pool month, and then multiplying by the number of weeks that the Platinum Member qualified for the month.
11. To qualify in the 4PET Platinum Pool, 4PET Monthly Net Cycle Growth must be one or more, AND Personal Monthly Net Cycle Growth must be 20 or more in the pool month.
12. To qualify in the Personal Platinum Pool, 4PET Monthly Net Cycle Growth must be one or more, AND Personal Monthly Net Cycle Growth must be 20 or more in the pool month.
13. For the purpose of this promotion, only Team Bonus Cycles generated from BV accumulated in your two teams are counted for qualification. Executive Match, PIB Equivalent, and retail Profit Equivalent Cycles are not included.
14. The payout caps for the Platinum Pools are as follows:

4PET POOL

PERSONAL MONTHLY NET CYCLE GROWTH

PERSONAL POOL

QUALIFIED NET CYCLE GROWTH

Growth of 41-100 shares: up to US\$25,000/CA\$27,750
Growth of 101+ shares: up to US\$100,000/CA\$111,000

PERSONAL MONTHLY NET CYCLE GROWTH

Growth of 20-40 cycles: up to US\$10,000/CA\$11,100
Growth of 41-60 cycles: up to US\$25,000/CA\$27,750
Growth of 61+ cycles: up to US\$100,000/CA\$111,000

15. Commission caps for paid Cycles will be used in Net Cycle Benchmark and Net Cycle Growth calculations.
16. The share value will vary by month based on the number of Qualified Net Cycle Growth (QNCG) shares earned in the pool each month. The share value will be calculated by taking the maximum monthly disbursement amount for the pool and dividing it by the total shares earned in the pool.

FOR EXAMPLE, a US\$125,000 Platinum Pool with a total of 1,250 QNCG shares would create a share value of US\$100/CA\$111 each.
17. The 4-4-5 reporting calendar will be used. A Platinum Pool calendar containing benchmark dates, weeks in a pool period, and payout dates is included in this flyer.
18. Payouts for the Platinum Pool will be paid on the closest Monday to the 15th of the following month.
19. Leaders advancing to Platinum: You will have a 180-day transition period (beginning when you average 225 cycles over a 26-week period or after your re-entry has been open for six months). Once this occurs, we will implement the following adjustments:
 - Your original center will no longer be eligible to play in the Executive Leadership Pools. It will only participate in the Platinum Pools.
 - Only your most recent re-entry business center will participate in the Executive Leadership Pools.
 - Personal share growth in the Executive Leadership Pools will be measured only on your latest re-entry position.
 - The Executive Leadership Pool you participate in will be decided by the qualification and Cycles of your latest re-entry position only.
20. Leaders who have Platinum (re-entry) businesses within their 4PET: When you develop a Platinum Member within your 4PET, the following will be implemented:
 - You will receive shares calculated from all positions for a 180-day transition period beginning the first time the Platinum leader averages 225 cycles over a 26-week period or after his/her re-entry business center has been open for six months.
 - After the 180-day transition period, Cycle growth from Platinum centers that develop in your 4PET will no longer count toward your 4PET Cycle growth nor will the Cycles of the 4PET of that new Platinum center.

HOW DO I BECOME A PLATINUM MEMBER?

In your Primary Position, you must average 225 cycles over a 26-week period to request Isagenix to grant you a re-entry.

AM I ABLE TO PLAY IN THE DIRECTOR AND EXECUTIVE LEADERSHIP POOLS AT THE SAME TIME THAT I'M IN THE PLATINUM POOLS?

Yes, your re-entry position is eligible to participate in the Director and Executive Pools as long as your primary position maintains 175 Cycles or above for two weeks out of the pool month. However, your primary business can only participate in the Platinum Pools.

HOW MANY WEEKS DO I NEED TO MAINTAIN 175 CYCLES OR ABOVE FOR MY RE-ENTRY ACCOUNT TO PARTICIPATE IN THE DIRECTOR AND ALL EXECUTIVE POOLS?

Your primary business center must be at 175 Cycles or above for a minimum of two weeks of the pool month for your re-entry to qualify for Director and all Executive Pools.

HOW LONG CAN MY RE-ENTRY PLAY IN THE EXECUTIVE POOLS?

Your re-entry business center can participate in the Executive Leadership Pools until it exhausts eligibility, which happens 180 days after averaging 225 cycles over a 26-week period or six months after opening another re-entry business center (whichever comes first).

ONCE MY PRIMARY BUSINESS QUALIFIES FOR THE PLATINUM POOLS, CAN IT DROP BACK DOWN INTO THE EXECUTIVE POOLS?

No, a business center cannot participate in the Executive Leadership Pool after it qualifies for the Platinum Pools.

IS IT POSSIBLE TO MAX OUT IN BOTH PLATINUM POOLS IN THE SAME MONTH?

Yes, you can only get paid up to US\$100,000 in each Pool. This will depend on the number of Associates who participate in the pools each month and your own personal and 4PET growth.

CAN A PLATINUM MEMBER GET PAID IN ONE POOL AND NOT THE OTHER? FOR EXAMPLE, CAN I GET PAID IN THE PLATINUM PERSONAL POOL BUT NOT THE 4PET PLATINUM POOL?

No, you must qualify for both pools in order to earn shares. See payout caps for details.
