The Recommended Cart feature gives Isagenix Independent Associates the ability to build and customize orders based on a Customer's needs.

You can share your Recommended Carts from various channels, such as your Back Office, the IsaLife™ app, and the Penny app.

This is sharing with style. Know your Customers, identify their needs, and exceed their expectations like a pro.

Here's How to Do It

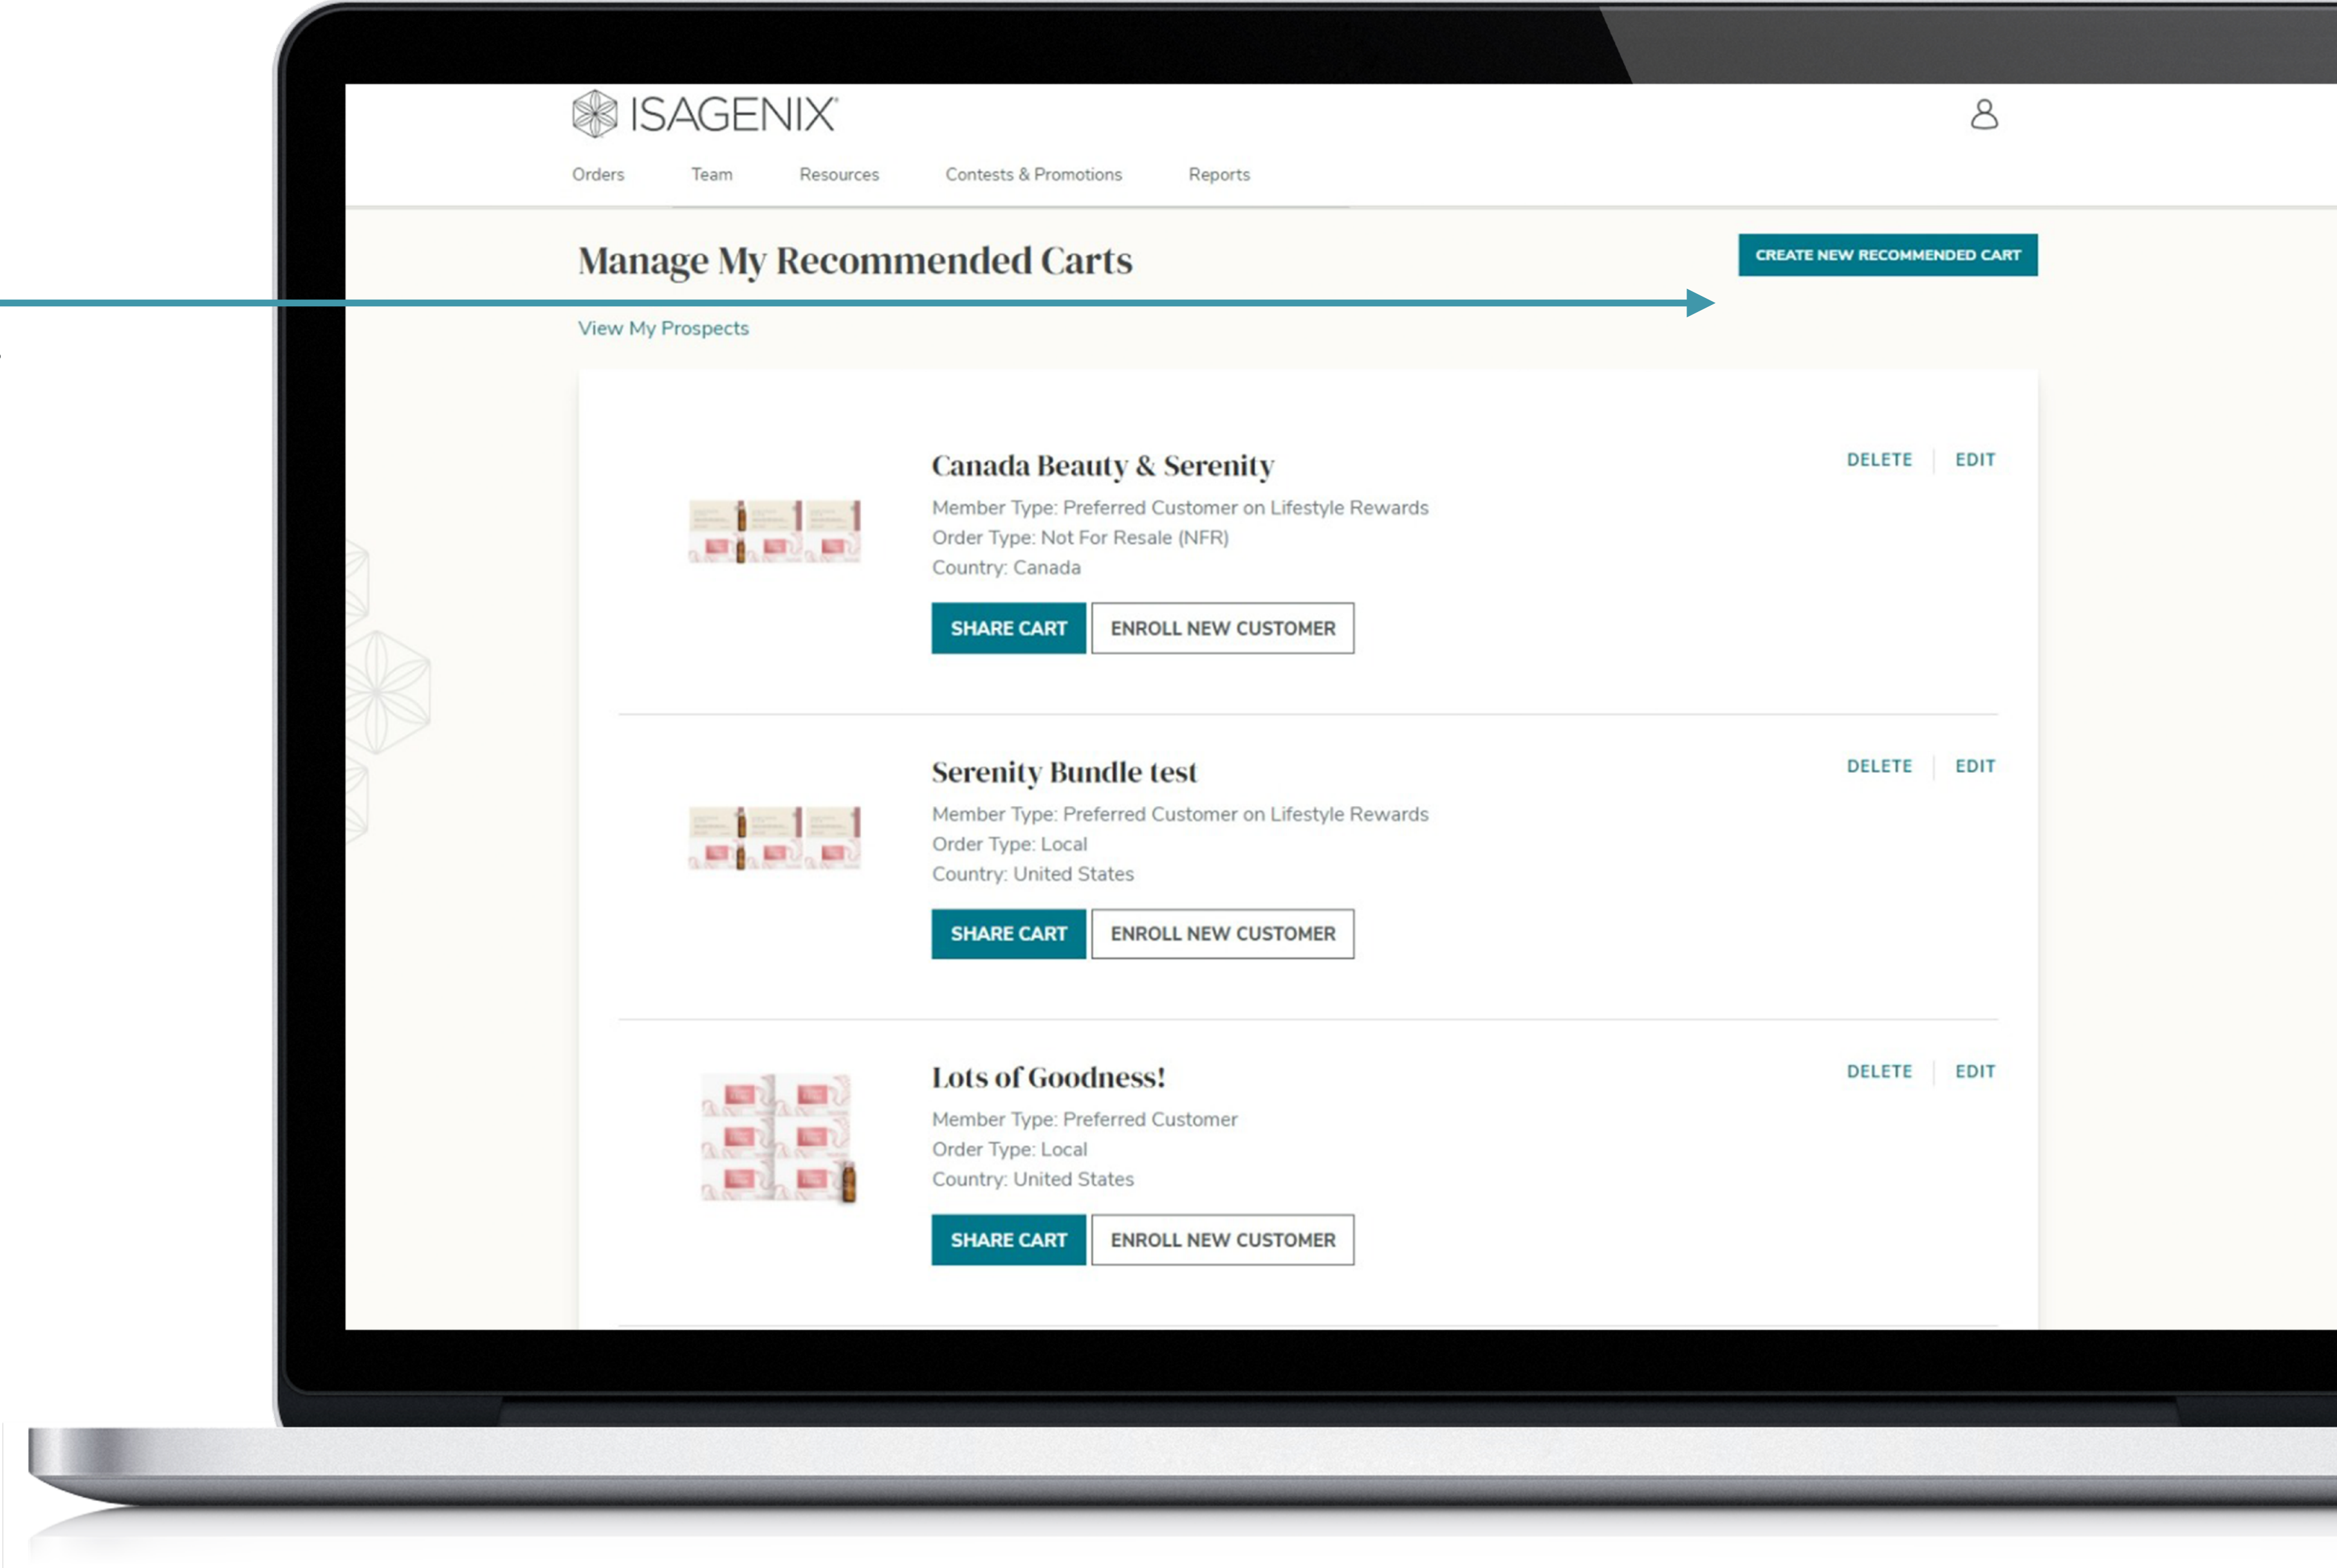

Log in to your password-protected Back Office.

HOVER OVER THE TEAM TAB, AND SELECT MANAGE MY RECOMMENDED CARTS FROM THE DROP-DOWN MENU.

The screenshot displays the ISAGENIX Back Office interface. At the top, the navigation bar includes 'Orders', 'Team', 'Resources', 'Contests & Promotions', and 'Reports'. The 'Team' tab is active, showing a dropdown menu for 'Joe' with options: 'View Placement Tree', 'Enroll New Member', 'View Compensation History', 'View My Team', 'Manage My Recommended Carts', and 'View My Prospects'. A blue arrow points from the text on the left to the 'Manage My Recommended Carts' option. The main dashboard area contains several widgets: 'Important Alerts' (3), 'LIFESTYLE REWARDS' (with a 'SIGN UP NOW!' button), 'ENROLL NEW MEMBER', 'VIEW PLACEMENT TREE', 'BUSINESS UPDATES & TOOLS', 'HOW TO SHARE' (with a video player), and 'EARNINGS' (showing 'Lifetime US\$20'). The left sidebar shows the user's profile 'Joe' with details like 'ID: 8556829', 'Enrolling Sponsor: Marketing Main', and various ranks (Consultant, Associate, Associate) and a 'START YOUR ORDER!' button.
