WITHIN™

Gut health influences digestion, immune health, recovery, and overall wellness.

WITHIN brings these interconnected systems together in one simple daily ritual.

Why You'll Love It

- Supports a healthy gut microbiome and digestive comfort†
- Helps reduce occasional bloating and gas while promoting regularity†
- Delivers 25x more lactoferrin than standard bovine colostrum products, helping take the benefits of traditional colostrum further.*†
- Supports immune health year-round and a healthy inflammatory response up to 2x greater than bovine lactoferrin in human immune cell studies**
- Promotes recovery from physical stress by delivering oxygen to muscles†
- Supports iron metabolism, women's health, including vaginal microbiome balance and menstrual cycle support, while helping

What's Inside

- **Effera® lactoferrin:** a human-equivalent bioactive protein that supports a healthy gut environment, immune function, nutrient utilization, and whole-body resilience†
- **Grass-fed bovine colostrum:** naturally occurring bioactive compounds that support gut barrier integrity, immune health, and recovery†
- **Prebiotics, probiotics, and postbiotics:** a complete tribiotic system to support microbiome balance and gut health†

How to Use

Mix 1 scoop with 8 fl oz of water and enjoy once daily. For additional support, you may take up to two servings per day.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

*25x comparison refers specifically to the lactoferrin content per gram vs. standard bovine colostrum.

**2x comparison based on human immune cell studies comparing effera® lactoferrin to bovine lactoferrin.
