Frequently Asked Questions

Q What is 'active rank'?

A Your 'active rank' is your lowest paid-as rank of the week. For example, if you are a Director on six days of the commission week and a Manager on one day of the commission week, your active rank would be Manager.

Q How can I keep track of my points?

A You will be able to review your points and where they originated by clicking the report link provided in your Back Office. Points that are accrued from rank advancements will be one week in arrears.

Q Are points displayed in real time?

A No. Points are updated once weekly.

Q Do Preferred Customers and Associates count as new Members in this contest?

A Yes

Q Will points be awarded if a Preferred Customer converts to an Associate?

A You will not receive new Points for a Preferred Customer who converts to an Associate during the contest period, as you will have already received Points when they first enrolled. However, if they rank advance or sign up to the IsaBody Challenge, you will receive additional points.

Q What happens to my points if new Associates return their initial product order?

A All points associated with products that are later returned to Isagenix will be deducted from your overall point total.

Q Can I receive points for enrolments in other international markets (outside of the UK)?

A Yes. While this contest is available only in the UK, international enrolments that are adequately validated in their home market will help you earn points if they meet the IsaRally earning criteria. Please contact the relevant office in the home market to ensure validation has been completed. Please note, enrolments made over the weekend, local time, in SG, ID, TW, HK, MY, MX and CO must be validated on Monday morning (before Sunday 11:59pm US EST) to count for that commission week.
