

Get to Know Mexico

Welcome to Mexico!

Its population of over 122 million hospitable and passionate people awaits you. The country's entrepreneurial culture and motivation for a better life are the perfect match for Isagenix Solutions to Transform Lives™.

- Primary language is Spanish with a small percentage speaking English.
- Almost 50% of the population is between the ages of 25 and 69.
- Food represents the largest household expense—almost 25% of the total budget.
- Mexicans expect to be treated individually and always look for personalized service. They are very loyal to brands, and family and friends have a great influence over purchasing decisions.
- Isagenix already has offices in three main cities: Mexico City, Monterrey and Aguascalientes.

The Industry in Mexico

- Mexico has the second largest earnings in Latin America for direct sales, behind Brazil.
- About 75% of the sales force are women and head of households looking to supplement their income.
- The developing direct sales industry has a 7% growth rate forecast in the coming years.
- Direct sales interest is high among former executives and young self-starters attracted by the income, time invested, and quality of life.

Isagenix Has the Solutions

- 75% of the population suffers from job-related stress with 25% of the population experiencing heart attacks.
- Seven out of 10 people are overweight or obese. In 2012, 10 million Mexicans were diagnosed with diabetes. A major cause is excess weight and lack of physical activity.
- 43% of Mexicans engage in regular physical activity and have a need for high-quality protein in their diets.
- Although the entrepreneurial motivation is strong, more than 70% think the cost of starting a business is high. With Isagenix, starting is very simple!

MEXICO SYSTEMS & PAKS

We offer a range of systems, paks, and targeted solutions to help you take advantage of the unique business opportunities in Mexico to begin transforming lives. Some of our most popular products include IsaCleanse® and IsaShake™, which have wholesale prices between \$160 and \$235 Mexican pesos. Additionally, we offer several paks and systems which are composed of a selection of products bundled together to offer more complete solutions.
