

Active Income Script

It's incredibly simple: there are just two ways to earn income with Isagenix.

You can make a linear income or leverage income. For now, let's focus on linear with a taste of leverage.

You'll earn 20% on the pre-GST price of any product pack you sell to a customer.

Who do you know that's excited about biohacking? Who could use more energy, better sleep, less stress or help with their physical wellbeing?

As an example: If a friend buys a **\$600** pack, you'll earn **\$120** in commission.

If another friend buys a **\$600** pack, you earn another **\$120** which means you've made **\$240** right away, plus a **\$50** bonus, bringing your total earnings to **\$290**.

And if both friends were to repeat what you just did, you'd earn **\$100** for each.

That's a total of **\$490**, PLUS an additional **\$250** bonus from Isagenix if you hit this goal within the first 60 days.

This brings your total earnings to **\$740!**

The best part is, you can repeat this process as often as you like OR take it even further with the next stage of earning potential.
