BEA BRAIN™

Sparkling Focus + Energy

BEA Brain is a sparkling drink that delivers focus, energy and function in one can. This ready-to-drink beverage is made for the moments when your brain needs to be ON.

Why You'll Love It

- Focus, energy and function in one convenient, grab-and-go can.
- Light, berry-citrus flavour that's refreshing without being overly sweet.
- Made for busy mornings, demanding days, workouts, study sessions and creative mode.

What's Inside

- **150mg of naturally sourced caffeine from green tea** for energy and alertness to help power your day.
- **200mg of L-theanine**, an amino acid naturally found in tea leaves.
- **A functional blend of lion's mane, reishi, and cordyceps mushrooms** with long histories in wellness practices.
- **Vitamins B3 and B6** to help support normal energy metabolism, protein metabolism, and nervous-system function.
- **No artificial colours, flavours or sweeteners**

How to Use

Enjoy BEA Brain chilled whenever you want energy and focus for life's "go" moments. Refrigerate after opening and consume within four hours for the best product experience. We recommend enjoying no more than two cans per day.
