GET TO KNOW YOUR PRODUCTS

We’ve highlighted six core products to help boost your health and wellness journey. Depending on your selections, some products may not be in your box, or you may have the products listed below plus some extra!

1. ISALEAN™ SHAKE is a balanced meal replacement that supports healthy weight loss* and muscle maintenance.

It provides 24 grams of protein, energy-fueling carbs, good fats, filling fibre, and vitamins and minerals.

As part of this system, you can replace any two meals a day with IsaLean Shakes. Get ready to be blown away from the very first sip.

If you’re dairy-free, don’t worry — we’ve got you covered with plant-based options!

*Useful for weight reduction only as part of an energy-reduced diet.
2. CLEANSE FOR LIFE™ provides herbal and plant-based nourishment for your body. The drink can be enjoyed as part of Cleanse Days or as an everyday supplement.

3. IONIX® SUPREME is a daily nutrient-rich tonic that can support mental and physical performance. It features a blend of botanicals and other ingredients to help your body combat the negative effects of stress.

4. ISACOMFORT® is a daily capsule that can aid in digestion and overall health with the use of cleansing herbs and minerals and without harsh laxative ingredients.

5. NATURAL ACCELERATOR™ is a daily dietary supplement that can help support metabolism with natural ingredients such as cayenne, green tea, and cocoa seed.

6. ISAGENIX CHEWABLES™ are chewable wafers designed to satisfy hunger and help keep you on track with your weight loss goals.

2 WAYS TO CLEANSE

1. Everyday cleansing involves drinking one serving of Cleanse for Life as a daily supplement. Take one serving daily in the morning, at night, or between meals on Shake Days.

2. Deep cleansing involves drinking Cleanse for Life during a day of intermittent fasting. Take up to four deep cleansing servings throughout the day. Completing one or two Cleanse Days per week is an excellent way to support weight loss.
IF YOU RECEIVED THE **WEIGHT LOSS VALUE PACK**, THE CONTENTS OF YOUR BOX COULD ALSO INCLUDE:

**ISADELIGHT™**
Delectable chocolates infused with green tea to support Cleanse Days.

**ISALEAN™ BAR**
Premium bars that can be used as an alternative source of balanced nutrition, including 18-19 grams of protein.

**SNACK BITES**
Conveniently packaged cookie dough bites designed to stop hunger in its tracks.

**COMPLETE ESSENTIALS™ DAILY PACK**
A complete daily nutrient support with vitamins and minerals, omega-3s, antioxidants, and herbs and botanicals.
**ISAGENIX GREENS™**
A superfood experience packed with two full servings of organic vegetables and made with ingredients such as organic kale, spinach, turmeric, chlorella, spirulina, and more.

**ISAGENESIS™**
Designed to support your telomeres for healthier, more youthful aging.

**e+™**
An energy shot that contains natural plant-based caffeine and botanicals.

**WHEY THINS™ & HARVEST THINS™**
Savoury and delicious protein-packed snacks.
NOW WHO’S READY TO CRUSH THIS?

It’s pretty simple. Each day will either be a Shake Day or a Cleanse Day.

**SHAKE DAY** Replace two meals per day with an IsaLean™ Shake, and enjoy up to two healthy, balanced snacks and one 400-to-600-calorie meal. For example, you could have a shake for breakfast, a shake for lunch, and a healthy meal for dinner. For recipe ideas, head to your IsaLife™ app.

**CLEANSE DAY** On a Cleanse Day, you will reap the benefits of intermittent fasting by abstaining from normal meals and foods and instead supply your body with four deep cleanse servings of Cleanse for Life along with Cleanse Day approved snack options. (See Page 10: Cleanse Day Tracker.)

Monthly Cleanse Day Tracker

Check one box for each credit consumed during a Cleanse Day.

Values are determined through a proprietary Isagenix System and are not linked to values in other food-scoring systems. While most healthy adults can consume up to 400 milligrams of caffeine per day, you should monitor your caffeine intake on Cleanse Days and consider your personal tolerance when choosing caffeinated snack options.
FAQ

Q: I’m nervous to start! How can I keep myself on track?
A: Accountability, accountability, accountability! You’ll find that this journey is much easier when you surround yourself with support. Try joining the IsaBody Challenge® where you can be part of a large global community of people who are embarking on this same life-changing journey. We’re all here to support one another. Head to WelcomeToIsagenix.com for more information.

Q: How can I satisfy my hunger during Cleanse Days?
A: Simple! Try any of our Cleanse Day approved snack options, such as savoury Whey Thins™ or sweet IsaDelight™ chocolates. Who doesn’t want chocolate on a Cleanse Day?

Q: Why should I cleanse?
A: Cleanse Days can help kick-start your body’s own detoxification systems. Isagenix Cleanse for Life™ is specifically formulated to provide your body with extra support as it prepares for the benefits of intermittent fasting.

Q: Can I use IsaLean Shake Plant-Based with my current system?
A: Yes! You can easily swap IsaLean™ Shakes for dairy-free IsaLean Shakes if you choose.

Q: How can I get creative with my IsaLean Shakes?
A: Easy! Try adding fresh fruit, spices like cinnamon, or Isagenix products like Isagenix Coffee, Organic Greens, or Isagenix Fruits. Just keep in mind that customizing your IsaLean Shake can increase its caloric value.

Q: If I feel tired or have a headache, should I stop using my system?
A: Have a small snack if you are experiencing these symptoms. If your symptoms are serious or persistent, seek medical attention.

Q: I just completed two Cleanse Days in a row and want to do more! Can I continue to complete Cleanse Days to maximize my success?
A: Kudos for crushing your Cleanse Days, but don’t overexert yourself. Keep it nice and steady. Remember, cleansing one day per week is recommended. You may choose to cleanse up to two consecutive days, but do not exceed more than that per week. We also recommend not exceeding four Cleanse Days a month.

Q: I’m a very active person, and I have been gradually increasing my workouts during my program. Should I eat more if I’m hungry?
A: Sounds like you’re in! We suggest swapping out one or both of your IsaLean Shakes for IsaLean PRO Shakes or simply adding a scoop of IsaPro™ to 1½ scoops of IsaLean Shake to increase your protein intake. The extra protein will help fuel your body with the nutrients and calories it craves while you’re working out.
