

# EVERCLEAN LIVING FRESH PRESSED LAUNDRY DETERGENT SHEETS

## Fresh + eco-friendly.

Get a powerful, plant-powered clean — without plastic jugs, messy measuring, or harsh chemicals. These ultra-light, fully dissolvable sheets tackle everyday dirt and odors while staying gentle on skin, fabrics, and the planet.

Designed for simple routines, effective results, and sustainability that actually works. Toss-ready. Low waste. Zero mess.

## Why You'll Love It

- **Clean Made Simple:** No measuring, no spills, no bulky bottles. Just tear, toss, and wash.
- **Plant-Powered Performance:** Biodegradable, plant-derived ingredients lift dirt and odors without harsh additives.
- **Gentle by Design:** Free from phosphates, dyes, and chlorine bleach, making them gentle on sensitive skin and safe for babies and pets.
- **Energy-Smart Cleaning:** Effective in cold water to help reduce energy use without compromising results.
- **Eco-Smart Format:** Plastic-free, dry-form sheets reduce packaging waste and shipping emissions.
- **Any Load, Anytime:** Works beautifully in hot or cold water and in all machine types, including HE.

## How to Use

1. Choose your load size:
  - Small load: **½ strip**
  - Regular load: **1 strip**
  - Large load: **2 strips**
2. Tear strip as needed.
3. Place directly into the empty washing machine drum.
4. Add laundry and start your wash cycle — hot or cold.
