

The Big Picture

THE ISAGENIX TEAM COMPENSATION PLAN

ISAGENIX.

This presentation describes the Isagenix Compensation Plan and how Associates may earn money with Isagenix. Terms and conditions apply. For details, see IsagenixBusiness.com. Most people join Isagenix as customers to receive a discount on products and not to earn money. Only a very small percentage of Associates earn a significant income. Achievements require skill, time, and consistent work, and even then, are not guaranteed. Earnings will vary based on many factors. In 2025, the average earnings of all US Isagenix Associates, active and inactive, were \$943.61 before expenses. The average earnings of all US Associates who earned money from Isagenix in 2025 were \$4,556 before expenses. See IsagenixEarnings.com for more information.
