

Optimize Your Quality of Life

1 AN UPHILL BATTLE

The pursuit of wellbeing has become complicated and exhausting. We're bombarded with:

- ✗ STRESS
- ✗ POLLUTION
- ✗ PESTICIDES
- ✗ FAD DIETS
- ✗ FAST FOOD
- ✗ NEGATIVE MEDIA
- ✗ FINANCIAL UNCERTAINTY

Our bodies and our minds are tapped out.

2 THE GOOD NEWS

60%

of people want to feel healthier (Gelesis)

51%

want to lose weight with diet & exercise (Gelesis)

If only there was a way to eliminate the confusion, navigate around fad diets, and do something that works.

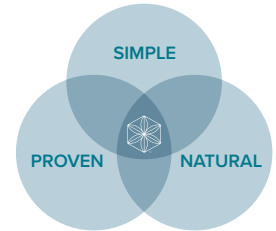

Good news: *There is!*

3 ENTER ISAGENIX

With 22+ years of proof, Isagenix continues empowering millions of individuals to lead healthier lives through nutritional solutions and groundbreaking science.

1. 175+ effective products for health and wellbeing
2. 8+ billion dollars in cumulative sales
3. Millions of lives completely transformed

Isagenix never stops innovating. They develop and test products and systems that are simple, proven, and natural—all designed to help people protect their greatest asset... their health.

Simple

Nutritional science is complex. Isagenix is here to make it simple. These products are designed to optimize nutrition, each formulated with functional ingredients that taste great and are designed to seamlessly fit into any lifestyle—simplifying the complexity of wellbeing.
