

# WELCOME TO THE ISAGENIX TEAM COMPENSATION PLAN

## **IF YOU'RE NEW TO ISAGENIX, WELCOME! ISAGENIX INTERNATIONAL IS A GLOBAL LEADER IN THE HEALTH AND WELLNESS INDUSTRY.**

Our success is based on providing no-compromise products and solutions to consumers worldwide. We also recognize that most people looking to change their habits benefit from having a support structure to reinforce a new positive behavior and lifestyle. This is why we developed a way to reward Members who share our products. For those who want to pursue the Isagenix business opportunity by sharing our products, we offer a competitive Compensation Plan – one of the best in the industry.

Our Compensation Plan is only getting better as we expand and evolve. Not all companies can say that. The Isagenix Compensation Plan was established on sound financial principles, and built to last. Since 2002, Isagenix has helped hundreds of thousands earn extra money – thousands of whom have been paid over \$100,000 and hundreds more have been paid more than \$1 million since joining – and this is just the beginning.

Even though most of our Members simply enjoy our products without participating in the Compensation Plan, we encourage everyone to share our innovative products and be rewarded for their efforts in helping others enjoy physical and financial transformation.

Please keep in mind that your individual results and success will ultimately be determined by many factors, including your personal effort, time commitment, social and sales skills, and your sphere of influence. Isagenix cannot guarantee any particular level of earnings. Even Associates who dedicate a significant amount of time, effort, and personal funds may not achieve a meaningful level of success. Please review our Earnings Disclosure Statement at [IsagenixEarnings.com](http://IsagenixEarnings.com) for more information.

The following is intended to provide you with an overview and details on our business and the Team Compensation Plan. We realize the Compensation Plan may seem a bit overwhelming at first, but once you become familiar with the terminology and concepts, you'll see the genius and potential it holds.

# CUSTOMER FIRST

Whether your goal is to lose weight, build muscle, improve your health, live a healthier life, or earn some extra income, we encourage everyone to start as a Customer.

An individual may purchase Isagenix products through an Isagenix Independent Associate, or they may choose to open an Isagenix Customer Membership Account and enjoy discounts of about 10-25 percent off suggested retail prices. The following chart shows the options a Customer may elect upon joining Isagenix:

## NEW MEMBER DISCOUNT TYPES

MEMBER TYPE	VALUE	WITH AUTOSHIP	ANNUAL MEMBERSHIP FEE	PRICING <sup>^</sup>	ELIGIBLE FOR ADDITIONAL DISCOUNTS AND REWARDS
PREFERRED CUSTOMER	BEST	YES	US\$29	25% off RETAIL	YES
	BETTER	NO	US\$39	25% off RETAIL	NO
CUSTOMER	GOOD	YES or NO	US\$0	10% off RETAIL	NO

<sup>^</sup>Percent pricing discounts are approximate.

Customers, including Preferred Customers, do not participate in the Compensation Plan, but they may earn Product Introduction Reward coupons for referring others who purchase a qualifying system on their first order. **PRODUCT INTRODUCTION REWARDS ARE COUPONS REDEEMABLE ON COMMISSIONABLE PRODUCTS.**

**Additional details concerning Product Introduction Rewards may be found in your Back Office.**

In addition to the Product Introduction Rewards, Customers are eligible to accumulate any personal volume over 100 PV in any 30-day period for 180 days from join date plus business volume for their first 90 days as an encouragement to become an Associate and build an Isagenix business. To take advantage of any accumulated volume, a Customer is required to open an Associate account within the 180-day period immediately following their enrollment date. If a Customer does not become an active Associate within the first 90 days, the accumulated group volume will be held for an additional 90 days, after which time all such volume will be removed. If a Customer becomes an Associate and has accumulated group volume they need to be active with 100 PV within 30 days of transitioning to an Associate in order to continue accumulating the volume. Please refer to your online Customer account for additional details.

<sup>^</sup>Enrolling Sponsor and organization receive full business volume when product introduction coupons are redeemed.

## COMMONLY USED TERMS

A list of terms and their meanings is included in the Glossary Section of this Compensation Plan (or in the Isagenix Policies and Procedures). However, a few common terms are included up front in order to help explain some basic concepts.

**BUSINESS VOLUME (BV)** - A point value assigned to each Isagenix Commissionable Product (including paks). BV is used to track and measure product sales and to calculate commissions.

*For example, the following product combination would equal 184 BV:*

30-DAY SYSTEM

**PERSONAL VOLUME (PV)** - The combined business volume of (1) an Associate's personal orders purchased directly from Isagenix (whether personally consumed or resold to Retail Customers) and (2) orders purchased by the Associate's Retail Direct Customers (ordering through the Associate's personal website).

**GROUP VOLUME (GV)** - The total business volume that accumulates in an Associate's marketing organization.

**PAID-AS RANK** - The rank that an Associate qualifies for on a given day based on the Associate's PV and/or his or her Personally Enrolled Team Members' BV, his or her rank and the number of Personally Enrolled Team Members.

**PERSONALLY ENROLLED** -When you help someone open a Membership account with Isagenix - as a Customer or Associate, they are considered your "Personally Enrolled" Member and they are assigned a place on your Team Placement Tree - on either your Left Sales Team or your Right Sales Team.

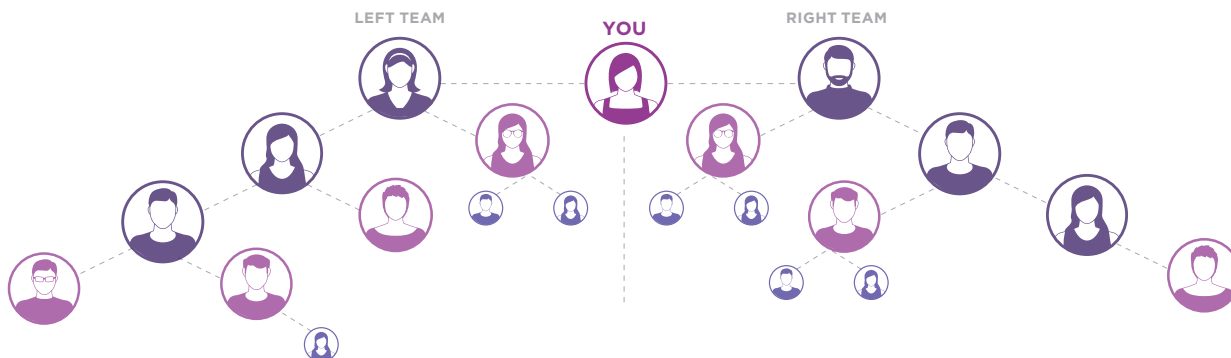

**TEAM PLACEMENT TREE** - The organization structure that is used by Isagenix to track enrollments and purchase activity of all Customers and Associates for the purposes of collecting and paying bonuses and commissions. The Placement Tree is also used in determining qualification for rank within the Isagenix Team Compensation Plan.

**ACTIVE STATUS** - Your active status is assigned each day based on whether or not you have met the qualification requirements in the immediately preceding 30 day-period. To receive compensation other than retail profits and Product Introduction Bonuses you must remain active.

To be considered active as an Associate, on a given date you must personally generate a minimum of 100 personal volume in the prior 30 days. This can be accomplished by purchasing products (for personal consumption or for resale to Retail Customers) or by sales to Retail Direct Customers via your Isagenix personal website.

Personal purchases/retail direct sales totaling **100 PV/BV** in prior 30 days.

# COMPENSATION PLAN OVERVIEW

## OVERVIEW

The Isagenix Team Compensation Plan encourages people to work together to accomplish financial goals. Upon enrollment, new Customers and Associates are assigned to a unique place in their Enrolling Sponsor's marketing organization, which is composed of two Sales Teams or "legs," one on the right side ("Right Sales Team") and one on the left side ("Left Sales Team"). An Associate's compensation is primarily derived from product purchases by those in his or her marketing organization. As an Associate's marketing organization grows, more product sales are made and as more product sales are made more money can be earned.

## RANKS

There are five ranks that an Isagenix Associate can achieve:

- ASSOCIATE
- CONSULTANT
- MANAGER
- DIRECTOR
- EXECUTIVE

Each rank comes with certain benefits and privileges.

## WAYS TO EARN

Isagenix offers Associates several ways to earn money:

- RETAIL PROFITS
- RETAIL DIRECT PROFITS
- PRODUCT INTRODUCTION BONUSES
- TEAM BONUSES - KNOWN AS CYCLES
- EXECUTIVE MATCHING TEAM BONUSES
- SPECIAL INCENTIVES AND PROMOTIONS

**RETAIL PROFITS** - Associates can order products directly from Isagenix at discounted prices and resell the products in person to their Retail Customers. The difference between the Associate's costs of goods sold and the selling price is referred to as the Associate's retail profits. (Note that business volume from any products you order for retail sales is treated as personal volume.)

**RETAIL DIRECT PROFITS** - Associates can also refer or direct (Retail Direct Customers) to order products directly from Isagenix through the Associate's personal website and earn retail direct profits. retail direct profits are paid weekly and are calculated by subtracting the Wholesale Price, and an administration fee. (The business volume from any retail direct sales is treated as personal volume. Any volume in excess of 100 PV - excess volume - will be credited to the Minor Volume Sales Team, generating additional Team business volume.)

**PRODUCT INTRODUCTION BONUSES (PIBS)** - Earned by sharing qualified paks or systems with a new Member on their initial order, these bonuses vary depending on the product pak or system purchased. From time to time Isagenix may run promotions that could even double the PIB value!

**TEAM BONUSES** - Team Bonuses are the foundation of the Compensation Plan. Paid-As Consultants and above are eligible to earn Team Bonuses through product sales in their Sales Team. When an Associate accumulates at least 900 BV in group volume (GV) and at least 300 BV comes from one side of the sales team (the Minor Volume

Sales Team) and 600 BV comes from the other side (Major Volume Sales Team), the Associate earns a Team Bonus, also referred to as a Cycle. An Associate can earn multiple Cycles every day and up to 250 Cycles per week.

**EXECUTIVE MATCHING TEAM BONUSES** - Active Paid-As Executives are eligible to receive a 10 percent Matching Team Bonus on the weekly Team Bonuses of all Personally Enrolled Associates at Paid-As Consultant rank and above. The Matching Team Bonus is calculated daily and paid weekly. Paid-As Executives may earn up to a maximum of 25 matching team Cycles from any one Personally Enrolled Consultant and a maximum of 250 Executive Matching Team Bonuses per commission week.

**INCENTIVES AND PROMOTIONS** - Isagenix may offer additional incentives and promotions from time to time to encourage and reward those who share Isagenix products with others. Some of our more popular incentives and promotions include the IsaBody Challenge®, IsaDerby™ contests, Rank Advancement Bonuses, and Leadership Pools.

## HOW COMPENSATION IS PAID

When you earn your first commission or bonus you'll automatically be set up with an electronic payment account, referred to as an IsaWallet® account. Isagenix deposits the pay directly into your IsaWallet account, and you can then transfer your earnings to your personal bank account, use it to pay for your next order, or spend your Isagenix Visa® card! Isagenix pays weekly, every Monday - one week in arrears. Note: Any Associate earning compensation of less than \$10.00 will have payment held until compensation totals are \$10.00 or more.

# ▶ RANK QUALIFICATIONS AND BENEFITS

## ASSOCIATE - STEP 1

Any person who desires to participate in the Compensation Plan can apply to become an Isagenix Independent Associate by completing the Associate application process. This is Step 1 in the Compensation Plan. To apply, simply log in to your Customer account - where you go to place your orders - and follow the steps provided. Or, contact your Enrolling Sponsor to get you started. If you are not a Customer first, please contact an Isagenix Independent Associate for help in establishing an Associate account.

Associates, enjoy the same pricing options as Customers, and also receive a personal website where their own Retail Direct Customers can purchase products. Associates also have access to special promotions, training, and support materials. Associates are eligible to earn retail profits, retail direct profits, and Product Introduction Bonuses. They are also eligible to accumulate group volume; however, no Team Bonus Cycles will generate until an Associate qualifies for Paid-As Consultant status or higher.

## CONSULTANT - STEP 2

When you're actively sharing products through the "You Share, They Share, Repeat" system, you can move to Step 2, Consultant. Become a Consultant by accumulating 100 personal volume and maintaining a minimum of 100 BV from Personally Enrolled Members on each of your Left and Right Sales Teams within the prior 30 days, as illustrated below:

As a promotional incentive once you qualify as a Consultant Isagenix rewards you with a US\$50 Rank Advancement Bonus.\*\* You can also earn US\$100 on each Personally Enrolled Associate (for up to 20 Personally Enrolled Associates) you help advance to Consultant. In addition to the ways you can earn money as an Associate, Consultants unlock another way to earn. This is where your Team Bonuses (or Cycles) come in!

*\*Personal volume (PV) can be accumulated from personal purchases (for personal use or retail sales) and/or retail direct sales.*

*\*\*Rank Advancement Bonuses are a promotional incentives that are available at the time of publication; they are not considered a direct component of the Compensation Plan and may be changed, modified, or discontinued by Isagenix at any time.*

## WHAT DOES A TEAM BONUS (CYCLE) LOOK LIKE?

Visualize your organization with a bank account below each of your Left and Right Sales Teams. As sales occur anywhere in your marketing organization, whether you personally enrolled those people or not, BV accumulates in each of these bank accounts. Every time you, as a Paid-As Consultant, accumulate a total of at least 600 BV on one side and 300 BV on the other side, you earn one Cycle, which equates to about US\$54.

As an example of how it works, let's say you've accumulated 1,000 BV on your Left Sales Team and 250 BV on your Right Sales Team, and a new order of 100 BV comes in from your Right Sales Team, so now you have 350 BV on the right. Because you accumulated at least 600 BV on your left, and at least 300 BV on your right, a Cycle occurs.

Once this happens, the 600 BV and 300 BV are deducted, leaving you with something we call "holdover volume" of 400 BV on the left and 50 BV on the right:

**#1 Thing to Remember**  
 The real power of the Compensation Plan comes from building a team of Associates selling Isagenix products. Your goal should be to identify, train, and support others in sharing the products with as many Customers as possible.

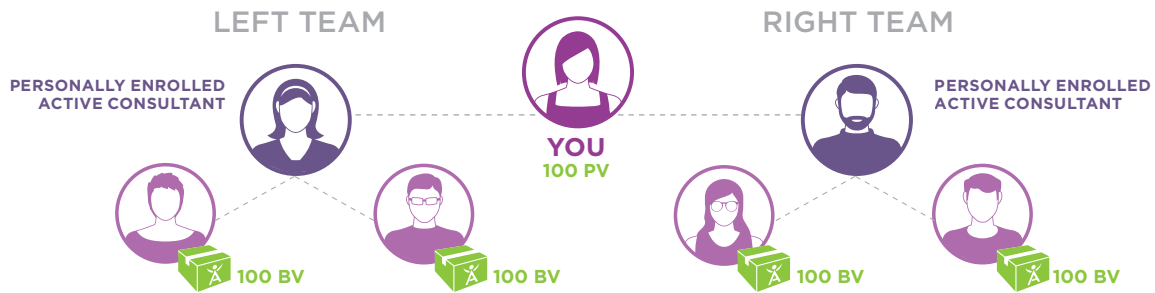

This holdover volume will continue to accumulate as long as you remain an active Paid-As Consultant or until you experience a MegaCycle (explained below). Associates can also accumulate business volume by staying active, but they aren't eligible to earn Team Bonus Cycles until they become a Consultant.

Cycles are calculated daily and paid weekly, and since you accumulate sales on your entire marketing organization no matter how deep it may grow - you can be earning multiple Cycles a day, up to 250 times per commission week.

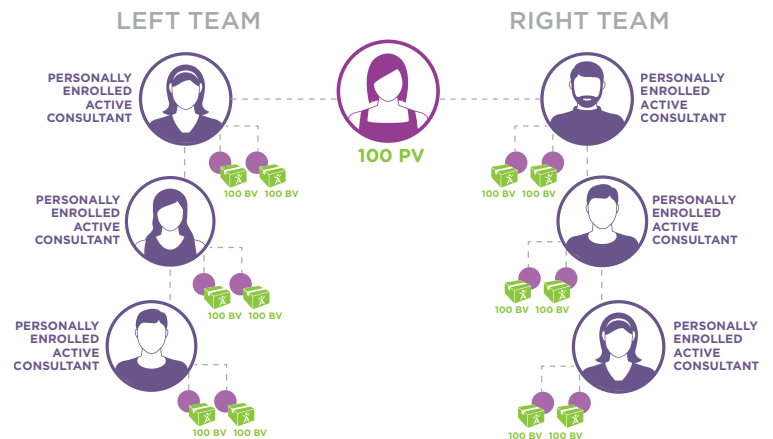

### MANAGER - STEP 3

You can qualify for Manager by being a Paid-As Consultant with at least two Personally Enrolled Associates who are Paid-As Consultants at the same time within the prior 30 days. It comes down to you sharing the products (“You Share”) with others who end up doing the same (“They Share”). (If you become a Manager within 60 days of becoming an Associate, you can become a Crystal Manager and earn a \$250 Crystal Manager promotional bonus.\*) In addition to the benefits and earnings options available to Consultants, Managers are eligible to participate in a promotion called the Holiday Bonus Pool, an incentive that pays out bonuses for certain yearlong activities.

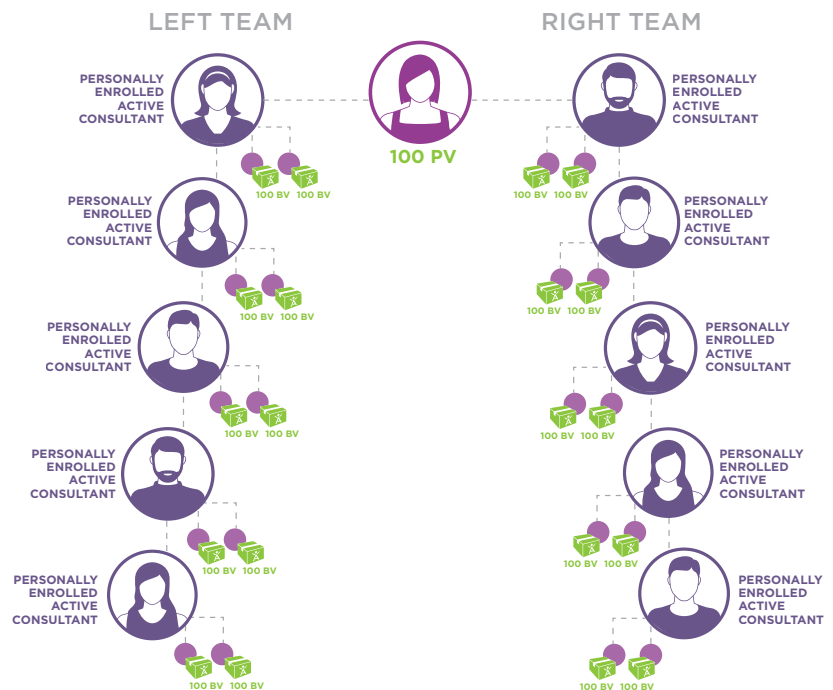

### DIRECTOR - STEP 4

You can qualify for Director by being a Paid-As Consultant with at least six Personally Enrolled Associates who are Paid-As Consultants at the same time within the prior 30 days. (Isagenix offers a promotion that pays a \$750 Crystal Director bonus when you have six Personally Enrolled Consultants on your team within 120 days.\*) In addition to the benefits and earnings options available to Managers, Directors and Crystal Directors are eligible for the Director Pool promotion. More information on this promotion can be found in your Associate Back Office.

### EXECUTIVE - STEP 5

After Director, your next step is to become an Executive. Qualify for Executive by being active with at least 10 Personally Enrolled Associates who are Paid-As Consultants (at least five on each of your Left and Right Sales Teams) at the same time within the prior 30 days. (If you achieve this level within 180 days of becoming an Associate you earn a promotional \$1,000 bonus and the rank of Crystal Executive.\*) Isagenix has special Leadership Pools at the Executive level for even more earnings. When you achieve Executive, you unlock a new way to earn with Executive Team Matching Bonuses and re-entries (see below), in addition to all the benefits and earning options available to Directors.

\*Crystal bonuses are a promotional incentive that are available at the time of publication; they are not considered a direct component of the Compensation Plan and may be changed, modified, or discontinued by Isagenix at any time. Time calculations begin on the date you enroll as an Associate.

### 10% MATCHING TEAM BONUS

Once you are qualified as an Executive, you are recognized as a leader with Isagenix. In addition to all other benefits, Paid-As Executives are entitled to a 10 percent Matching Team Bonus on their Personally Enrolled Paid-As Consultants and above. This means you could earn up to 500 Cycles per Business Center per Commission Week - 250 Team Bonus Cycles plus up to 250 in Matching Team Bonuses. (No more than 25 Matching Team Bonus Cycles per commission week per Personally Enrolled Consultant and above.)

**EXAMPLE -** If one of your Personally Enrolled Consultants earns 100 Cycles in one commission week, you, as a Paid-As Executive, could earn 10 more Cycles (10 percent of the PEC's 100 Cycles) that week. Assuming each Cycle is worth US\$54, that's an extra US\$540 in Matching Team Bonuses for that week alone!

**Just Breathe. You got this!**  
 Now if this seems overwhelming right now, that's completely OK! We don't expect you to become an expert overnight. That's why we provide additional tools on [IsagenixBusiness.com](http://IsagenixBusiness.com) and further in-depth training at events!

### RE-ENTRIES

A Paid-As Executive whose Sales Team has produced at least 225 Cycles for three commission weeks and who has maintained Paid-As Executive Status in the prior three months may apply for a re-entry position. The first re-entry position would be located immediately above the Executive's existing Position (Primary Position). (Subsequent re-entry positions would be located immediately above the most recent re-entry position which in turn would then become the Primary Position.) If the re-entry position is approved, the Primary Position becomes one side of the Executive's Sales Team (i.e., Major Volume Sales Team). This means an Executive can leverage the volume from the Primary Position as one leg of the new re-entry position. The qualifications for advancement of any new re-entry position are the same as for any other new Position. Re-Entry provides a way to continue to grow, build, and even benefit from all of the growth milestones, promotions, and incentives.

(For more information, please refer to the Request for re-entry position form and The Platinum Handbook.)

## PLATINUM RECOGNITION RANK - STEP 6

Another perk of becoming an Executive who qualifies for a re-entry position is that you are awarded the recognition rank we call, Platinum. Platinum is the top recognition rank! Platinum status comes with additional perks and benefits outside of the Compensation Plan!

## SPECIAL INCENTIVES & PROMOTIONS

The final way to earn income with us is through our many incentives and promotions.

The IsaBody Challenge rewards participants with free product and swag for transforming their bodies and lives. And Isagenix has various other promotions that include special trips, travel, awards, cash bonuses, Isagenix Branded gear, and more. # ► SPECIAL FEATURES OF THE ISAGENIX COMPENSATION PLAN

## INTERNATIONAL MARKETS

Associates in good standing may request approval to participate in markets (outside their home region) where Isagenix is legally registered to operate and is officially open for business. To apply, Associates simply complete and submit an International Sponsorship Application and Agreement along with an Annual Regional Associate Fee, where applicable. This fee is in addition to your Associate application and includes additional services and training in your Associate Support System and personalized website. As an International Sponsor you become eligible to earn commissions in International regions. Those approved Active Paid-As Consultants and above can earn on group volume generated by Associates on their Sales Teams who live outside of their home country. (Restrictions and limitations apply. Refer to IsagenixBusiness.com for additional details.)

### FOREIGN EXCHANGE POLICY

Isagenix develops a Commissions Multiplier based on the source of volume from each country where the Associate is conducting business. The new Commissions Multiplier will be a weighted average that is unique to the amount of volume coming from each country and will be used as the multiplier for their commissions. The new Commissions Multiplier will be calculated and updated each quarter and will apply to any Associate with at least 10 percent or more of their volume originating from outside of their home country.

## AUTOSHIP PROGRAM

This is a program of convenience where a pre-selected order is shipped each month. Autoship orders provide additional savings and convenience to Members.

## ISAGENIX 50% PAYOUT GUARANTEE

Isagenix offers its Associates one of the most distributor-friendly programs with one of the strongest payouts in the network marketing industry. We pay compensation out to the field of 50 percent of the BV we receive on commissionable product purchases over the lifetime of our program. For any pay period in which the payout is less than 50 percent, we escrow the balance in our compensation account to supplement future payouts when necessary. However, to protect the opportunity of all Independent Associates and Isagenix, the company has a cap of 50 percent of the BV that can be paid out.

### HERE'S HOW IT WORKS:

Each week the total BV of commissionable product purchases are calculated and 50 percent of this value is available to be paid out in the Compensation Plan. The company first pays all applicable PIBs. The remaining funds form a pool, which is divided out to all Associates earning Team Bonuses (Cycles) and 10 percent Matching Team Bonuses.

**The Cycle value is determined by dividing the remaining pool by the total number of Cycles.**

$$\frac{\text{Total Remaining Pool Dollars}}{\text{Total Number of Cycles Earned}} = \text{Value For Each Cycle}$$

## MEGA CYCLE

A Megacycle occurs at the end of any day that a minimum of 100 Cycles has been accumulated since the Associate's (1) enrollment date or (2) last Megacycle. To provide stability to the Compensation Plan, Isagenix will hold over up to 150,000 GV in the Major Volume Sales Team and all remaining GV in your Minor Volume Sales Team toward earning your next Team Bonus. Any GV above the 150,000 GV from your Major Volume Sales Team is removed.

## GRACE PERIOD

For the purpose of calculating the Team Bonuses, a five-day grace period is added to the prior 30 days requirement in determining active status.

## WEEKLY PAY

Weekly pay is a noteworthy feature of the Isagenix Team Compensation Plan. A commission week begins at 12 a.m. Mondays (ET) and runs through 11:59 p.m. (ET) of the following Sunday. The earned compensation is paid to Associates on Monday of the following week (effectively one week in arrears).

## NON-ACTIVE ASSOCIATES

Associates who are not active with 100 PV will not accumulate any GV and will have any holdover volume reset to zero.

## CONSULTANT MAINTENANCE

If you are active but fail to stay qualified as a Paid-As Consultant, you will hold existing GV, and continue to accumulate both additional GV and your own PV that is more than 100.
