

Get to Know Taiwan

Welcome to Taiwan!

Its population of more than 23 million awaits you. Friendly people and a strong performance in food and drink direct sales makes Taiwan an ideal market to introduce Isagenix Solutions to Transform Lives™.

- The primary language is Mandarin Chinese.
- The three major cities of Taipei, Kaohsiung, and Taichung count 50% of the population as residents.
- Located along the southeast coast of the Asian continent at the western edge of the Pacific Ocean. Taiwan forms a vital line of communication in the Asia Pacific region.
- Taiwanese people are some of the friendliest in Asia and prefer face-to-face conversations when doing business.

The Industry in Taiwan

- Direct selling companies mainly used websites as a marketing tool in 2014.
- Consumer health products continued to play the most important role in 2014.
- Food and drink direct sales perform strongly since products are used for daily consumption.
- Concerns about food safety have created an upward trend for organic food.

Isagenix Has the Solutions

- 68% of men and 79% of women do less than 30 minutes of moderate exercise per week.
- 44% of adults are overweight or obese.
- Online shopping has been more common in recent years.
- Supplements targeting elderly consumers are in greatest demand.
- Taiwan has a higher obesity rate than many similarly developed Asian nations largely due to lower rates of physical exercise.

TAIWAN SYSTEMS & PAKS

We offer a range of systems, paks, and targeted solutions to help you take advantage of the unique business opportunities in Taiwan to begin transforming lives.
