

CLEAR PROTEIN

A refreshing new way to support muscle

Clear Protein in Tropical Bliss brings a fresh take to daily protein. With 20 g of high-quality whey protein isolate, it supports muscle recovery and maintenance while helping you meet your daily protein needs for strength and tone.

Why You'll Love It

- Clear Protein blends effortlessly into your day, ideal for workouts, travel, or any time you need clean, high-protein hydration.
- A crisp, juice style protein that's light, refreshing, and easy to drink. Made with minimal lactose, it's gentle on the stomach and doesn't feel heavy.
- Designed to satisfy hunger and support your weight management goals.

What's Inside

- **20g Whey Protein Isolate:** Premium, grass-fed source to support strength and recovery
- **Hydrating Mineral Blend:** Potassium, magnesium, calcium and sodium to support daily hydration and performance
- **4.5g BCAAs:** Leucine, isoleucine and valine to promote muscle repair and reduce soreness
- **Zero sugar** and only **90 calories** per serve

How to Use

Add 2 rounded scoops to 355 mL cold water. Shake well. Add more water as needed for desired flavour. Let sit 3–5 minutes for natural foam to settle before drinking. Enjoy one serving per day.

Soy Free

Gluten Free
