*Earning levels or income statements for the Isagenix Independent Associates discussed here significantly exceed the average results achieved by all Associates during the same time period, are not necessarily representative of the success or compensation that any particular Associate will receive, and should not be construed as typical or average. The ability to earn income under the Isagenix Compensation Plan depends on many factors including an individual Associate's business, social, and sales skills; personal ambition and activity; availability of time and financial resources; and access to a large network of family, friends, and business contacts. Isagenix cannot and does not guarantee any particular level of earnings. Even Associates who dedicate a significant amount of time, effort, and personal funds may not achieve a meaningful level of success. For average earnings, refer to IsagenixEarnings.com.

**Reserved seating RSVP's will be required prior to the event. Be on the lookout for an email from your Recognition Team in November of 2018 with further details on how to RSVP before the event.
