

EVERCLEAN LIVING PURE SPARKLE BATHROOM CLEANER

A cleaner bathroom, naturally.

Pure Sparkle is a plant-powered, oxygen-boosted bathroom cleaner that cuts through soap scum, stains, odors, and buildup — without bleach or harsh fumes. This smart powder format delivers powerful results with a simple sprinkle-scrub-rinse routine, leaving your bathroom sparkling and fresh without heavy chemical scents.

Why You'll Love It

- **Bleach-Free, Fume-Free Clean:** Delivers powerful cleaning results without chlorine bleach, ammonia, or harsh chemical fumes commonly found in conventional bathroom cleaners.
- **Built for Buildup:** Oxygen-boosted, mineral-based ingredients target soap scum, stains, and grime where they're toughest — without scratching or stripping surfaces.
- **Naturally Deodorizing:** Neutralizes odors instead of masking them, using a light, clean scent without synthetic fragrance or heavy perfumes.
- **Simple, No-Fuss Routine:** Just sprinkle, scrub, and rinse for a brighter, fresher bathroom in minutes.
- **Eco-Smart Design:** Powder format reduces packaging, plastic waste, and shipping weight compared to traditional sprays.
- **Family- and Septic-Safe:** Made with biodegradable ingredients that are safe for family homes and septic systems when used as directed.

How to Use

- Sprinkle a small amount of Pure Sparkle onto the surface or into the toilet bowl
- Add water or lightly spray to activate
- Scrub with a sponge or brush
- Rinse thoroughly or flush as needed

Store in a cool, dry place.

No Parabens

No Ammonia

No Phosphates

No Synthetic Fragrance

No Bleach
