

Get to Know Puerto Rico

Welcome to Puerto Rico!

The Puerto Rican population is more than 3.6 million. Puerto Ricans are known for their love of families, parties, and spending time outside. They also have the desire and motivation to be business owners, making them the perfect candidates for our Solutions to Transform Lives™.

- Primary languages are English and Spanish.
- 99% of the population is Latino and 65% is between the ages of 25 and 65.
- Puerto Rico has one of the most dynamic economies in the Caribbean region.
- U.S. minimum wage laws apply, and U.S. currency is used.
- Family is very important and families are often involved in business partnerships and decisions.

The Industry in Puerto Rico

- Global entrepreneurship is still gaining power, despite the fact that only 28% of Puerto Ricans think there are still good opportunities to start a business on the island.
- The government has enacted a series of incentives to attract foreign investment and boost entrepreneurial activity.
- Direct selling companies have contributed to the Puerto Rican economy and reported royalties have tripled in 2013.

Isagenix Has the Solutions

- Almost 74% of households are family households.
- The prevalence of obesity continues to increase.
- The associated state has highly developed highways, ports, and airport systems, which allow for fast movement of merchandise across and beyond the island.
